

# More Food in the Comox Valley

Arzeena Hamir  
President, Mid Island  
Farmers Institute

---

# Farmland in the Comox Valley

- We have ~60,000 acres in the ALR
- In 2016, only 42% was in production
- As of 2016, we have 416 farms in the valley

We need to grow more  
food but we also need  
more people to buy local  
food
